**Re: Northeast Nebraska Telephone Company
Section 64.1120(e)(1) Notice
CC Docket No. 00-257**

Dear Ms. Dortch:

Pursuant to Section 64.1120(e)(1) of the Commission's Rules, on behalf of the Northeast Nebraska Telephone Company ("NNTC"), NNTC provides the attached that on or about January 1, 2020, it will acquire the subscriber base of Clarks Telecommunications Co. ("Clarks") via merger, and become the provider of local exchange services to the current Clarks customers on that date, except for those subscribers who exercise their right to select another local or long distance provider.

NNTC certifies that on or about November 8, 2019, it provided advanced subscriber notice in accordance with Section 64.1120(e)(3), and that it will comply with the obligations specified in that section and all other applicable and Commission requirements.

Please feel free to direct any inquiries concerning this matter to the undersigned.

Sincerely,

Thomas J. Moorman

Re: Notice of Change of Local Exchange Carrier

Dear Clarks Telecommunications Company Customer:

As you may recall, in 2007 Northeast Nebraska Telephone Company ("NNTC") became the ultimate owner of Clarks Telecommunications Co. ("Clarks"), your provider of local exchange telephone service. In order to continue to improve the method by which we serve our customers, and to make such changes that, in our view, streamline and improve the process by which our telecommunications services are provided, NNTC will be merging the local exchange carrier operations of Clarks into NNTC's operations at the end of this year. As of December 31, 2019, therefore, NNTC will become your provider of the local exchange telephone services now provided to you by Clarks.

Our commitment to provide you with quality local exchange telephone services will continue. Prior to and immediately following the transfer, you will continue to receive the same local exchange services at the same rates, terms, and conditions as you do now. Notice of any future changes in rates, terms, and conditions of service will be provided to you as required by law. Service will continue without interruption. You will incur no carrier change charges as a result of this transaction.

If you want to subscribe to a different local exchange service carrier and such carrier is available, you are entitled to do so. Please contact our customer service at 888-397-4321 to make any such change. If you decide to change such local exchange carrier, NNTC will be responsible for any carrier change charges associated with that change.

Please also note that NNTC will be responsible for addressing any complaints you may have regarding services provided by it on and after December 31, 2019, as well as complaints that arise prior to that date with respect to the local exchange services provided by Clarks.

We also invite you to become members of the NNTC cooperative. Enclosed you'll find membership paperwork to fill out and return to us, using the self-addressed stamped envelope. There are no additional charges to become a member of the co-op. Since 1990, NNTC has paid out more than \$54 million to its cooperative members in the form of capital credits. More information on the NNTC co-op is enclosed.

We look forward to serving you and answering any questions you may have. Please feel free to contact our LOCAL customer service representatives at 888-397-4321. Our offices are open M - F, 8 am - 5 pm. You may also email us at nntc@nntc.net.

Sincerely,

Patrick McElroy
